

1. Cut along the solid line of the first sheet. Give one half to your neighbour and keep the other half for yourself.
2. Fold along the dotted lines to make a concertina.
3. Decorate then cut out the two halves of the calavera (skull).
4. Cut the top half of the calavera on the top fold of the concertina and the bottom half on the bottom fold.
5. When you fold the concertina up the two halves of the calavera should meet.
