tres x seis

cuatro + nueve

seis + seis

dieciséis - uno

nueve x dos

diecisiete - ocho

diez + dos

doce - tres

once + siete

uno + ocho

tres x cinco

trece - uno

tres x cuatro

catorce +
cuatro

quince - cero

once + cuatro

HOW TO USE THIS RESOURCE:

Children work in pairs or groups.

They have a copy of all the cards. They place the blue ones on the table in front of them. They read and solve the calculations on the orange cards and put each orange card next to the appropriate blue card, according to its answer.
