

Then and Now

I can write about what a town is like in the present and what it was like in the past.

	What is the town called?
	How many people live there?
	Describe it using adjectives.
	What places and buildings are there? ★ Describe these places using adjectives.
	What places and buildings are not there ?
	What can you do there? (<i>se puede + infinitives</i>)

	How many people lived there in the past?
	What was it like? Describe using adjectives.
	What places and buildings used to be there? ★ Describe these places using adjectives.
	What places and buildings were not there ?

I have:

	included some conjunctions.
	included some intensifiers.
	used <i>no</i> to make some verbs negative.
	included some time phrases to make it clear I'm talking about the present and past.
