

# telling the time

Me llamo

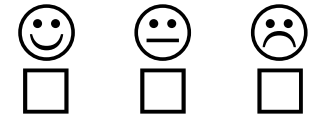

I already know some words which will be useful for telling the time in Spanish:

These are new words to do with telling the time that I have learned:

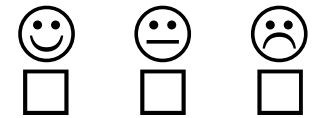

I can ask "What time is it?" in Spanish

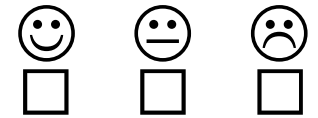

I can tell the time on the hour in Spanish.

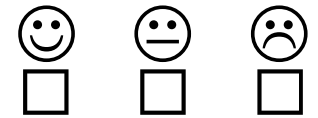

I can say "half past" and "quarter past" in Spanish.

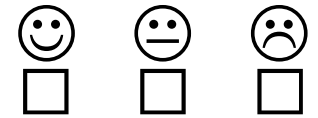

I can say "quarter to" in Spanish.

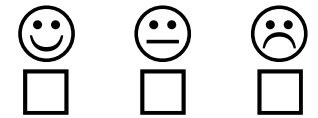

I can say "5 past", "10 past", "20 past" and "25 past" in Spanish.

I can say "5 to", "10 to", "20 to" and "25 to" in Spanish.

I can write times confidently in Spanish.

I can use the 24 hour clock in Spanish.
