NOTES FOR THE TEACHER

This is a Kagan Rally Table pair writing activity.

The children put their names in the name box at the top of the first side. They should each write with a different coloured pen or pencil, and they colour in the little circle to show the colour they are using, so that you know who has written what.

The children then take it in turns to write the sentences, supporting and helping their partner when it is not their turn to write.

For more information about the Kagan Rally Table, see this blogpost <https://changing-phase.blogspot.com/2017/05/kagan-rally-table-variation-on-theme.html>
