NOTES FOR THE TEACHER:

This resource is designed to promote grammatical knowledge (knowledge of different word classes) and dictionary use.

Students choose three colours, one for nouns, the second for adjectives and the third for verbs. They colour the boxes at the top of the sheet to show their “key”.

They then colour each section according to whether its word is a noun, adjective or verb. They may need a dictionary to help them.

Here is an example to show the pattern that it creates:
